

The World at Night

Reading the lights on the Black Marble

Tuesday, October 27
4 – 5 p.m.
The Community Room

Will Holsclaw, a student at FRCC and member of the International Affairs Club, will present satellite images of the world at night and will show how these images can be used in intelligence, conflict analysis and to study development.

To request access accommodations due to a disability, please call 303.678.3922, at least five business days prior to this event.
