

Why Ukraine Matters

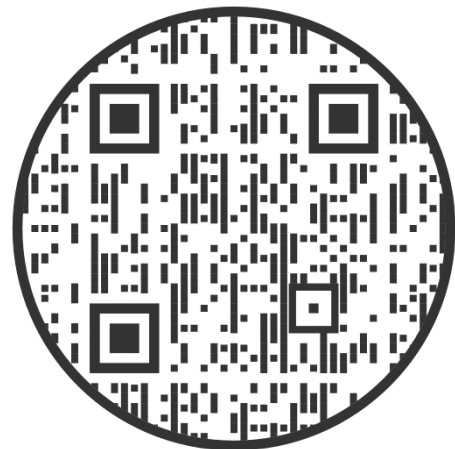

Tuesday February 28, from 6:00 – 6:45 pm

Dr. Ian Feinhandler, geography faculty at Front Range Community College, will present reasons for why the war in Ukraine should matter to all of us.

In this talk, we examine consequences of the Russian invasion of Ukraine, as the invasion passes its one-year anniversary. From human rights abuse, to the food crisis, the energy crisis, and the possibility of the war going nuclear, we examine why this conflict matters to the world.

Dr. Feinhandler has a Ph.D. in political geography and has worked in the private sector as an analyst of international affairs.
